The **Cameron House Foundation** was established to ensure the long-term financial sustainability of Cameron House. Gifts to the Foundation are invested to provide ongoing financial support to the youth and social services programs. Currently the Foundation supports 12% of Cameron House's operating budget annually.

Cameron House is a Chinatown-based multi-service agency serving Asian communities in the San Francisco Bay Area. Motivated by our Christian commitment to promote healthy communities, we have served individuals, immigrant families and youth since 1874. Our mission is to empower people to fully participate in and contribute positively toward a healthy society. We create a safe and nurturing environment by providing counseling, peer group support, crisis intervention, and we enable active involvement in the community through leadership development, education and advocacy.

PLEASE NOTE: The event is on the second floor of the Far East Café and no elevator is available. Assistance can be arranged in advance if needed. To request assistance, please contact Mary Wong Leong at mary@cameronhouse.org or (415) 781-0401 x120.
